

# HYDRODRIVE<sup>®</sup>

PATENTED

HYDROBURN

ON DEMAND EMULSIFIED FUEL TECHNOLOGY

GIVES YOU FUELS

ALWAYS

@

**25 % LESS PRICE**

**THAN THE OIL COMPANIES FUEL PRICE !.**

At the current diesel price of Rs.37.13/- per litre in Chennai, assuming 350 working days in a year, total Savings for a company based on 50 litres of diesel saved per day is as under:

50 litres per day saved X 350 working days = 17,500 litres

Annual Savings @ Rs.37.13 per litre X 17,500 Litres =Rs.6,49,775/-

Investment Cost in HYDROBURN ON DEMAND EMULSIFICATION PLANT is recoverable within 6 to 12 months time depending upon oil consumed. Even after payment of the ANNUAL LICENSING FEE you will still have clear CASH SAVING and will be contributing to LESS OIL IMPORT and STRONG ECONOMY !. When the fuel price goes up further, the rupee value of saving will go up further whereas the Licensing fee amount will still remain the same .

# AFTER INSTALLATION OF HYDRODRIVE'S HYDROBURN EMULSIFIER SYSTEM
